

## Sponsor Spotlight - Professional Cabling Systems

Loveland is proud to celebrate the corporate sponsors who partnered with the City to host events in 2019. Their generosity allowed us to host events that showcased our amazing City and provided fun and entertainment for our residents and visitors alike. Each week, we will be recognizing a corporate sponsor who made these events possible through their generosity and community spirit. This week we would like to showcase Professional Cabling Solutions (PCS), an IT Infrastructure and Security Solutions company based in Cincinnati, OH.

PCS is a family owned and operated business founded by Jeff and Ginny Hollingsworth, who are both Loveland graduates and residents. Rooted in the community, Jeff and Ginny, as well as their company, PCS, have been involved with sponsoring hometown events such as Bands and Brews, as well as supporting other local causes founded in Loveland like [CancerFree KIDS](#), Paxton's Grill Golf Outing Benefiting CancerFree KIDS and [Loveland Legacy Foundation](#).

Professional Cabling Solutions (PCS) has a team focused on delivering the highest levels of quality, integrity and expertise in design, installation and maintenance of voice and data cabling solutions, staging and deployment, WIFI installation, design and installation of video surveillance and access control. PCS provides services to many small businesses, Fortune 1000 clients, education, healthcare and government municipalities. Today's infrastructure demands are continuously changing and evolving. Since 2003 PCS has taken a customer-centric approach, which has been the

foundation of their success. They partner with clients to ensure the solutions they are considering will meet their unique needs and are committed to delivering superior results.
