- September 2024 – General Plan (the outline for treatment design) comments were reviewed with the Ohio EPA and comments are being addressed by our consultant and the City. Most comments revolved around making comparisons to regionalization costs.
- October 2024 – Received proposals from GCWW and Clermont County for wholesale water. These proposals are being formatted to be compared side by side with the treatment improvements cost.
- October 2024 – Hosted a PFAS roundtable with other Southwest Ohio Public Water Systems, Milford, Indian Hill, Warren County
- October 2024 – Received a fee and scope proposal from AECOM for PFAS treatment design. Continuing contract negotiations.
- October 2024 – The City submitted a grant/loan request to WSRLA for design fees.
- October 2024 – Submitted another round of samples to be tested of raw and finished water, awaiting results.
