Public Works Crew handle significant snow event

Building and Zoning

As part of Planning and Zoning Commission's regularly scheduled meeting this week, they held a Public Hearing for a request for a Special Planning District (SPD) at 128 N. Riverside Dr. After receiving much public input and discussion, the Board voted not to recommend the initiation of the SPD to City Council.

Public Works

This past week, our community faced one of the most significant winter storms in nearly two decades. Despite the challenges, our dedicated Public Works team rose to the occasion, working tirelessly around the clock to ensure the safety of our roads, parking lots, and sidewalks. Their extraordinary efforts included applying nearly 260 tons of salt across the City, improving safety for residents and travelers alike.

In addition to the storm response, the team tackled an unexpected water service issue. On Thursday night, Public Works worked through the night to repair and restore water service lines on Streamside Drive, ensuring minimal disruption for affected residents.

We extend our heartfelt gratitude to the entire Public Works team for their unwavering commitment, resilience, and dedication during these demanding conditions. Their hard work truly exemplifies the spirit of service that keeps our community strong.

Public Safety

National Law Enforcement Appreciation Day is every year on January 9. Jordan Dwyer, from BF Realty, Jordan Dwyer, dropped in to the Safety Center to say thanks and provided a table full of treats LPD officers can grab and go on patrol. Thanks Jordan and BF Realty, and to all of our citizens it is our pleasure to serve this great community.

Upcoming Meetings & Events

The Little Miami River Alliance's Annual Valentine Kickoff will be held on Saturday, January 11, at 11 a.m. at City Hall.

City Council will meet on Tuesday, January 14, at 7:00 p.m.
